

Human Recall Notice

The Maker of all human beings is recalling all units manufactured; regardless of make or year; due to the serious defect in the primary and central component of the heart. This is due to a malfunction in the original prototype units – code named Adam and Eve – resulting in the reproduction of the same defect in all subsequent units. This defect has been technically termed Sub-sequential Internal Non-morality; or more commonly known as S.I.N. The symptoms of S.I.N. are: Amnesia of origin ... Loss of direction ... Lack of joy and peace ... Fearfulness ... Foul vocal emissions ... Selfishness ... Violent behaviour ... Idolatry and Rebellion ... Stubbornness ... Depression or confusion in the mental component ... Drunkenness and drug addictions ... Lust and sexual perversions ... Sickness and other component breakdowns

The Manufacturer is providing factory authorised repair and service – free of charge – to correct this S.I.N. defect. The Repair Technician – Jesus – has most generously offered to bear the entire burden of the staggering cost of these repairs. There is no additional fee required. The toll free number to call for repair in all areas is: prayer. Once connected, please upload your burden of S.I.N. through the repentance procedure. Next, download atonement from the Repair Technician, Jesus, into the heart component. No matter how big or small the S.I.N. defect is, Jesus will replace it with: Forgiveness ... Salvation ... Love ... Joy ... Peace ... Patience ... Kindness ... Goodness ... Meekness ... Faithfulness ... Gentleness ... Self-control and blessings.

Please see the operating manual, the Holy Bible (A Book Of Truth), for further details on the use of these repairs. As an added upgrade, the Manufacturer has made available to all repaired units, a facility to enable direct monitoring and assistance from a resident Maintenance Technician, the Holy Spirit. Repaired units need only make Him welcome and He will take up permanent residence on the premises.

WARNING: Continuing to operate the human being unit without correction, voids the Manufacturer's warranty, exposing the unit to dangers and problems too numerous to list and will result in the human unit being permanently impounded. For free emergency service, call on Jesus.

DANGER: The human being units not responding to this recall action will have to be scrapped in the furnace. The S.I.N. defect will not be permitted to enter Heaven so as to prevent contamination of that facility.

Thank you for your attention. Please assist where possible by notifying others of this important recall notice.
